Fairmont Pacific Rim is Vancouver's iconic viewpoint for the occasion of 'I do.' A dedicated Wedding Director and a coveted team of experts will guide every step of the way through artful touches and personalized service, perfecting the beauty of new beginnings.

CUISINE

The foundation of any great celebration always begins with the food. Through a personalized consultation, design your menu with guidance from our globally trained culinary team, skilled in the breadth and depth of cultural culinary specialties including Pacific Northwest, Indian, Persian, and Asian fusion. Coupled with flawless fine dining restaurant service, the artistry and expertise of our team will deliver a creative and memorable dining experience reflective of the celebration style and wedding couple.

For the sweetest ending, our pastry team can customize designer desserts that represent and respect your chosen theme and colour palate. Opt for feature interactive stations or inventive table-side desserts that stay true to traditions or offer a modern twist on the classics.

CHEERS

Toast to your wedding in style with guidance from our spirited experts. Upon consultation with the Creative Beverage Director, our team of bartenders can design unique one-of-a-kind beverage installations, custom cocktails, monogrammed bars, or an elevated craft cocktail program inspired by The Lobby Lounge.

Our dedicated Head Sommelier will pair your courses with regionally or internationally lauded wines to complement the occasion.
